

Production Access Questionnaire

Testers Community

The objective of this report is to provide comprehensive answers that our clients can use to fill the production access form. You can use the answers directly or can make changes based on how you improved the app. After 14 days of testing, users will be prompted to fill a form on closed testing to get access to production. This document can be helpful in answering those questions.

App Name: 'Bout That Action

App URL:

<https://play.google.com/store/apps/details?id=com.bradflaughter.aboutthataction>

Production Access Questionnaire

1) How did you recruit users for your closed test? For example, did you ask friends and family, or use a paid testing provider?

We used a paid testing provider to gather comprehensive feedback on the app. Additionally, we reached out to some of our target users, including gamers and action game enthusiasts, to obtain real-world insights from the intended audience.

2) How easy was it to recruit testers for your app?

Answer: Easy

(You can select your own answer).

3) Describe the engagement you received from testers during your closed test

Testers showed high engagement, providing valuable feedback on gameplay mechanics, user experience, and overall enjoyment. Their insights

led to key adjustments, enhancing the gaming experience and ensuring a more polished final product that resonates with players.

4) Provide a summary of the feedback that you received from testers. Include how you collected the feedback.

Testers highlighted the need for a "Rate Your App" button, a dynamic walkthrough for new users, font style changes, and the addition of daily challenges. Feedback was collected through surveys, direct communication, and gameplay sessions, ensuring thorough insights.

5) Who is the intended audience for your app?

'Bout That Action targets action game enthusiasts and casual gamers who enjoy fast-paced gameplay and unique mechanics. It appeals to players seeking an engaging, endlessly replayable experience without ads or in-app purchases, focusing on pure fun.

6) Describe how your app provides value to the users.

'Bout That Action offers an innovative, endless gameplay experience with dynamic levels and unique characters. Players can enjoy a variety of play

styles, from stealth to action, while exploring a vibrant world without interruptions, providing satisfying entertainment and replayability.

7) How many installs do you expect your app to have in your first year?

Answer: 10k - 100k

(You can select your own answer).

8) What changes did you make to your app based on what you learned during your closed test?

Based on user feedback, we added a "Rate Your App" button, implemented a dynamic walkthrough for new users, adjusted the font style for better readability, and are considering adding daily challenges to enhance engagement and user experience further.

9) How did you decide that your app is ready for production?

After extensive testing and incorporating valuable feedback from a diverse group of testers, we addressed critical gameplay and user experience issues. The app is now stable, engaging, and polished, making it well-prepared for launch on Google Play.

10) What did you do differently this time?

This time, we focused on enhancing user onboarding through dynamic walkthroughs, actively sought diverse feedback, and prioritized user-friendly design changes. These strategies resulted in a more refined app that meets the expectations of our target audience.

You can use the above answers or add your personal touch to those answers to make them more natural and meaningful. Don't forget that this form plays the most important role in the entire process of getting production access. If you have any more questions, please feel free to contact us.

**Best regards,
Testers Community Team**
